## Socratic Seminar Lab Report

### Pre-Seminar Prep:

Attach any notes you have made to the back of this report. Then, write the claim you will make during the Socratic seminar. Back it up with evidence in an academic paragraph. ( Claim, transition phrase and evidence, transitio phrase and explanation, transition phrase and evidence #2, transition phrase and explanation #2) **After reviewing the materials, what is your opinion?**

### Seminar Recap:

What score did you get in the seminar? List the type of any negative points received.

Score \_\_\_\_\_ Negative points \_\_\_\_\_

### Post- Seminar Reflection:

Now that the seminar is done, reflect on the conversation. What were 2 good points made by your peers? Did you change your position at all? If you received any negative points, how could you have changed that or said something differently? If you could do the conversation over again, what would you change?
